

SMALL GROUPS AT SOUL CITY

We are so glad that you are interested in joining a Small Group at Soul City Church! God created each of us to be a part of loving, intentional relationships that help us become more of who God desires for us to be. We have found that people grow better in circles (like Small Groups) than in rows. On the following pages, you'll find a variety of Small Groups: we have book studies, Bible studies and various other group topics for men, women, co-ed and married couple groups in locations all over the city.

- Choose a Small Group that you can commit to attending 75% of the meetings
- Your Small Group Leader will contact you within a few days confirming which group you are in and let you know all of the relevant information
- Groups will run the week of **June 16 to the week of August 11**
- We ask that you sign up for one Small Group but feel free to join a different Affinity Group as well
- Be mindful of the special sign-up instructions for Married Couples and Co-Ed Groups

Affinity Groups are more community focused and are all about building relationships while having fun. These groups are a great way to meet new people and foster friendships while taking advantage of our great city in the Summer.

At Soul City, Small Group sign-ups happen 3 times per year in the months of January, May and September. So, if you are unable to commit to a group this session, a new round of groups will begin in the Fall.

We hope and pray that you find a great fit!

Small Groups Pastor

This session we are going to alternate between fun/networking sessions (i.e. Chicago roof tops, maybe ax throwing) and sessions where we practice praying and listening to the voice of God as well as help each other out with our business challenges. We recognize that often times leaders and entrepreneurs have unpredictable and limited schedules, so this group has no attendance requirement.

Day/Time: Wednesday 7-8:30p weekly

Location: Soul City Church

This down-to-earth introduction to life's greatest adventure will guide you deeper in your relationship with God, helping you to become more centred and still, clearer in discerning God's voice, more able to make sense of your disappointments and more expectant for miraculous breakthroughs too. It's full of honest, hard-won wisdom interspersed with real-life stories - some humorous, others moving - to equip and inspire your prayer life. Journeying through the Lord's Prayer, and accompanied by online videos from The Prayer Course, which has been used by more than a million people, it unpacks nine essential aspects of prayer: stillness, adoration, petition, intercession, perseverance, contemplation, listening, confession and spiritual authority.

From one of today's most visionary communicators, for those who've been praying for years as well as those who want to pray but don't know where to begin, this Course is the simple, life-changing guide you've been waiting for.
