SERVING OPPORTUNITIES- FOUR AREAS

TRANSFORMATION/ENGAGEMENT

Engagement: Creates the most welcoming environment that attracts people to Jesus. From the Café, to seating guests in the auditorium, the Engagement teams are made up of people who want to welcome others in so they can experience the transforming love of Jesus. The Engagement and Hospitality Team is broken into three parts:

- **Cafe-***think of our cafe as your local neighborhood cafe! We serve an array of offerings from standard flavored coffee to seasonal lattes. Serving in the cafe consists of set up, cashier and barista opportunities.*
- **Engagement-***our Engagement team hosts others well. We shepherd both new congregants and old into Soul City and aim to make God evident in all that we do. If you are on the Engagement team you are greeting, seating, and supporting all who enter with amazing hospitality and faith.*
- **Culinary-***our Culinary team provides amazing and innovative meals for our volunteers each Sunday as well as providing meals for Soul City gatherings and special events. Serving on our Culinary team means that you are facilitating the meals from concept to creation and are a crucial part of feeding the church's bellies, heart and soul.*
- **Connection-** *Help connect people to next steps beyond the Sunday gathering as well as meet those who are new to Soul City. People on this team are passionate about people and have an ability to make others feel a sense of belonging.*

Groups: Join our Group Apprenticeship program and participate in the four week Leadership Development cohort to learn about what it means to lead in Groups. The next cohort will meet in January 2023.

Alpha: Become an Alpha Helper to help create space for people to wrestle with some of life's biggest questions. A Helper's role is to be warm, friendly, and hospitable with the Alpha guests. Helpers assist Alpha Host in leading an Alpha small group.

Discussion Leader: Helps to create a welcoming environment at their tables during Transformation Nights sessions. They invite individuals at their tables into meaningful reflection and conversation around the Transformation Course material.
